## SUMMER WORKSHOPS

### Wednesday Summer Workshops—A Celebration of Learning Stars

Our summer workshops were extremely successful with all students attending working very hard to create and deliver our marvellous celebration event which took place at Liverpool Road Hall in the 28th August. We focussed on our past achievements and showcased some of our previous work. We also premiered our very own original song 'Nothing can hold us back' which we will continue to work on during our singing sessions.

There was also some delicious homemade food available as well as bingo and a raffle with some marvellous prizes. Many thanks to all involved and everyone who donated and attended! See a couple of pics from the Celebration Day opposite

Thursday Summer Workshops—We had Treasure Hunts and Quizzes gallore. Such good fun at our new dance group venue at Westhead Village Hall. See picture below

## IMPORTANT INFORMATION

It is with regret that the cost of workshops has risen to £7 per session (£14 whole day) starting on week commencing 9th September 2019. We have had to do this to enable us to carry on with our workshops which we think you all enjoy

## INFORMATION FOR DANCE GROUP

Please note that our dance group are moving to Westhead Village Hall, Wigan Road, Westhead, Ormskirk L40 6JD on Thursday 20th October. The reason for this is the room at Chapel Gallery is too big and therefore costs a lot more money to rent and as you know we are trying to cut costs to enable us to carry on with our workshops. Members who attend Chapel Gallery in the morning can catch the 310 or 375 from Ormskirk at 1pm after lunch and make your way to Westhead Village Hall. The workshop starts at 1.30 and finishes at 3.30pm. If you have any concerns about the journey please talk to Linda or Kelly.

For those that attend in the afternoon only please make your way to Westhead Village Hall, The bus between Skelmersdale and Ormskirk is 310 or 375 which runs every 15 minutes.

A lady well known to Learning Stars members is looking to support people in the community. If you would like any information please contact Elizabeth on 07880761349.
